### Project Recipe:

1. Use Light Tahitian Tide Stampin' Blends to colour top half of a 4" X 5-1/4" piece of Basic White cardstock, then use Parakeet Party Stampin' Blends to colour the bottom half.
2. Use dark Tahitian Tide and Parakeet Party Stampin' Blends to colour over top the middle section that you already coloured. Trim cardstock down if needed to center the colour block. Adhere to a Tahitian Tide cardbase (5-1/2" X 8-1/2", scored at 4-1/4").
3. Use Tahitian Tide and Parakeet Party Ink to stamp open leaves on the same colour section of the card front.
4. Stamp 2 large blooms and the small bloom with a stem, using Basic Gray Ink. Then colour using Tahitian Tide, Daffodil Delight and Parakeet Party Stampin' Blends. Use the Colour Lifter Stampin' Blend to soften up the colour on the blooms. Die cut the three blooms.
5. Stamp sentiment on a 1/2" x 4" piece of Basic White cardstock, using Tahitian Tide Ink. Trim the ends on a diagonal using Paper Snips.
6. Layer the blooms and sentiment together and attach them to the card front using Dimensionals.
7. Embellish with Glossy Dots Assortments.
