Project Recipe:

1. Using Poppy Parade ink, stamp basket weave image across the 1-1/2 X 4-1/4" piece of Poppy Parade CS. Adhere directly across the center of a Thick Basic White card base (5-1/2" X 8-1/2", scored at 4-1/4")
2. On a piece of Basic White CS cut with the 4th largest Stitched Rectangle, stamp 2 cherries - the full and the partial. To stamp these images, ink the image with Poppy Parade Ink and then sponge Cherry Cobbler Ink on the outside edges to add depth. These 2 images fit together nicely - no need to mask any images.
3. Using Early Espresso - stamp two stems on the cherries. I flipped the stem image to get them to bend towards each other.
4. Stamp a leaf in Granny Apple Green and then add the detail stamp over top using Early Espresso Ink.
5. Attach this stamped layer to the card front using Dimensionals.
6. Use versamark to stamp your sentiment (from the Lots Of Puns Paper Pumpkin kit) on a 1/2" X 3-1/4" strip of Early Espresso cardstock. Then heat emboss using White embossing powder.
7. Embellish with Rustic Dots.
