### Project Recipe:

1. Use a Deckled Rectangle die to create a template from a 4-1/4" X 5-1/2" piece of cardstock ( any colour). Then lay this template over the front of the Thick Basic White card bse. Use the blending brushes to apply Balmly Blue, Azure Afternoon and Blueberry Bushel Ink in layers.
2. Stamp the Labeled with Love frame in Blueberry Bushel and then stamp the sentiment inside using Memento Black Ink. Die cut the label and adhere to the right center of the card front using Dimensionals.
3. Stamp 2 butterfly outlines using Memento Black Ink. Then ink the butterfly filler image with Pumpkin Pie and Calypso Coral Inks and stamp inside the frame. Fussy cut the butterflies and adhere to the card front using Dimensionals.
4. Embellish with blue gems from the Tinsel Gem 3 pack.
