Project Recipe:

1. Use Blackberry Bliss Ink to stamp leaves on a 1" X 5-1/4" piece of Thoughtful Journey DSP (blackberry bliss watercolour design). Adhere this strip to the lower half of a 4" X 5-1/4" embossed Basic White cs piece.
2. Pull apart a piece of Moody Mauve In Color Jute Trim. Tie two of the threads around the DSP layer and make a bow on the left side. Adhere this whole piece to a 11" X 4-1/4", scored at 5-1/2" Thick basic White card base.
3. Use Blackberry Bliss Ink to stamp a sentiment on the 3rd smallest Spotlight on nature circle (approx. 2-1/4" across). Then use Moody Mauve Ink and a blending brush to add a slight colouring to the edges of the circle. Attach to the card front using Dimensionals. (Leave room for a bird to the right.)
4. Use Blackberry Bliss Ink to stamp a bird and 2 sets of leaves on a scrap piece of Basic White. Colour the leaves with 1/2 light Moody Mauve and 1/2 dark Moody Mauve. Fussy cut the leaves and use mini glue dots to adhere below the edges of the sentiment circle. Colour the bird with light Wild Wheat and light Moody Mauve. Add the coordinating dark colours to create depth. Fussy cut and attach with a Dimensional to the right side of the sentiment.
5. Use the light Moody mauve Stampin Blend to colour some of the white Neutrals sequins. Once dry embellish the card front with them.
