Project Recipe:

1. Emboss a 2-1/2" X 4" piece of Pebbled Path CS, then adhere to the front flap of a Pebbled Path card base (8-1/4" X 4-1/4", scored at 5-1/2"). Then adhere a 4" X 5-1/4" piece of Basic White to the inside of the card base.
2. Stamp sentiment in the lower right corner of a 3-1/2" X 2-1/2" piece of Basic White CS. Adhere this layer to a 3-5/8" x 2-5/8" piece of Cherry Cobbler CS.
3. Die cut the small oval tag from Greetings of the Season from the top right corner of a 2-1/2" X 3-1/2" piece of Basic White CS.
4. Stamp the roof of the house using Pebbled Path Ink on the top left corner of the same 2-1/2" X 3-1/2" piece of Basic White. Then use Balmly Blue Ink to stamp the brick house below the roof. Use the house punch to cut it out.
5. Use Pebbled Path Ink to stamp the door and windows on the remaining Basic White scrap. Use the punch to cut out the windows and then fussy cut the door. Adhere to the house image. Use the punch to cut a Cherry Cobbler heart. Adhere to the top of the house. Then attach the house to the sentiment layer using Dimensionals.
6. Stamp Merry Christmas on the oval tag (with the hole to the right) using Cherry Cobbler Ink. Tie a piece of Linen Thread through the hole and make a bow. Attach to the sentiment layer using Dimensionals.
7. Attach the sentiment layer to the small front flap of the card using Dimensionals. Embellish with 3 sizes of white snowflakes.
