Project Recipe:

1. MEASUREMENTS FOR PIECES:

Colourful cardstock base:

4-1/4" X 5-3/8", score on the 5-3/8" side across the top at 3/4" on both ends ("Cut the 5-3/8" first along the 1/1" edge of a piece of cardstock if you are trying to get 2 bases from one card. Then cut it in half at the 4-1/4" mark.)

2-1/2" X 7", score on 7" side across the top at 3/4", 2-1/2", 4-1/2", and 6-1/4". Then turn with 2-1/2" side across the top and cut in half at 1-1/4" ("If making two cards at once you can cut it to 5" instead of 2-1/2" - do the scoring then cut into 4 pieces that are 1-1/4" each)

DSP #1 (for inside the band stand)

3-3/4" X 4-1/8"

four - 5/8" X 4-1/8"

DSP #2 (for the 6 front panels)

four - 1" X 1-1/2"

two - 1" X 1-3/4"

Basic White cardstock

3-3/4" X 4-1/8" backside

Everyday Arches (4th from smallest)

Labeled With Love banner for greeting

Supplies needed:

2. Adhere 1" DSP pieces to the sections on the 2 7" strips. Adhere the large DSP panel to the center section of the larger scored DSP. Attach 2 of the small strips to the sections beside the larger DSP panel.
3. Attach the 7" strips to the top and bottom of the larger cardstock piece by glueing the tabs onto the back of the larger panel. Then use the last 2 thin DSP strips to cover the tabs.
4. Stamp image of the leaves and flowers on the Everyday Arch. Then attach to the top and bottom panel on the card base.
5. Stamp the sentiment on the Labeled with Love banner in Lost Lagoon. Use a blending brush to add colour around the edges. Attach to the card front using Dimensionals.
6. Stamp the butterfly outline with Memento Black Ink. Then stamp the butterfly centers with Petal Pink and Peach Pie. Fussy cut and attach to the front panel.
7. Stamp another butterfly to the white panel for the back and adhere. Embellish the card front with Petal Pink Foil Gems.
