Project Recipe:

1. Cut a piece of Willow White 12X12 cardstock at 5-1/2" x 12". On the 12" side, score at 4" and 8". Then, on the 5-1/2" side, make a mark at 2" and cut from that mark to the far score line to create the angled sections.
2. The Designer Series Paper is cut to coordinate with each angled section:
Front angled layer: 3-3/4" x 3-1/2", on the 3-3/4" side mark at 1-3/4" then cut from that mark to the far point at an angle.*
Middle angled layer: 3-3/4" x 5-1/4", on the 3-3/4" side mark at 3-1/2" then cut from that mark to the far point at an angle.*
Inside angled layer: 3-3/4" x 5-1/4", on the 3-3/4" side mark at 3-1/2" then cut from that mark to the far point at an angle.*
*make sure you are cutting in the right direction to adhere to the card base.
3. Add a 3-3/4" X 1-7/8" piece of DSP and a 3-3/4" X 5/8" piece of Shimmering Stripes DSP to the inside panel of the card.
4. Stamp sentiment on the 2nd largest Stylish Shapes die cut circle. Use Secret Sea Ink for the Wishing You. Real Red Ink for the J Y. Use Versamark on Secret Sea and heat emboss in white. Then die cut the snowflake and adhere in the o space using a Dimensional.
5. Tie a piece of ribbon in a large bow and attach to the card front. Then adhere the Stylish Shapes sentiment circle over the ribbon using Dimensionals. Embellish with a Rhinestone in the center of the snowflake.
